Justification for Enhanced Monitoring Requirements at Veolia 3-20-14.docx

Charlie,

This is what I have so far for this justification. I have not been able to locate the highlighted information in Table 1. If you could just fill in the highlighted missing info, that would give us a good starting point for this. Any other comments would also be helpful but for now, completing Table 1 is a higher priority.

Sarah/Nathan – please let us know if you readily have the data we need for this exercise.

Many thanks.

David
